Weber sits on said board and informed of the verbiage additions, N. Withdrawal and P. Amendments, to the agreement as the reason for revision.

Various Board and Committee reports were held. Wood attended Pathfinders and RUSS meetings. Hadley attended an Emergency Management. All members attended the 5th District meeting last week.

Discussion of old/new business and public comment was held. Bates informed payment was received for half of Keokuk County's balance from the ISAC Unemployment Pool in the amount of \$39,383.33 with the remaining balance to be paid once all current claims have been paid. Hite and Bates informed of an enhanced Keokuk County website development plan, initial set up fee and annual fee thereafter. Board consensus to allow further investigation of said project. Inquiries arose regarding additional closure for the Christmas holiday, noting support would not be available from Tyler Technology, Department of Management and Department of Transportation due to closure from December 24-26, 2025. This matter will be discussed during the upcoming department head meeting to gage what plans are for each department.
