8:30 a.m.- Meeting was called to order. Motion was made by Deke Wood to approve the agenda. Fred Snakenberg seconded the motion. All ayes and motion carried. Also present was Casey Jarnes, News-Review.

8:45 a.m. - Meeting with Andy McGuire, Engineer regarding Keokuk County Highway Department was held. New legislation, HF 2092 is a bill for an act relating to motor grader operator training, of which is already being done in-house. It gives the appearance of managing county business from Des Moines, of which is simply not realistic. If passed, has the potential to significantly impact the county's ability to efficiently serve the public due to the inability to utilize employees in motor graders that are not assigned to currently and serve as another layer of unfunded mandate. Counties are very capable of following policies and make best decisions for ourselves at the local level.

9:15 a.m.-Review and possible approval of February 5, 2024 claim listing was held. Motion was made by Deke Wood to approve said claim listing as submitted. Fred Snakenberg seconded the motion. All ayes and motion carried.
